Secretary to the Government of Mysore,
General Department, B a n g a l o r e.

SIR,

I have the honour to state that I had to send S. Vyasa Rao, a clerk of my office to Mysore, to collect certain statistics of the fertility and mortality rates of women from the registers maintained at the Centres of the Gunamba Maternity and Child Welfare as the figures were urgently required. He represented on his return that he had to spend not less than one rupee per day towards his maintenance. As Mysore is a costly place and the allowance of as. 8 which he would get in the usual course is too small to cover the expense which he should have incurred, I request that he may be given a daily allowance of Re. one a day as ~~was~~ officials going to Mysore in the Dasara season. The cost will be met from the allotment for Travelling Allowances sanctioned to this department during the current year.

I have the honour to be,

Sir,

Your most obedient servant,

M Venkatesa Iyengar
